Establishing and Operating the Serious Mental Illness Data Collection Information System

3. – (1) Pursuant to its powers under sections 254(1) and 254(6) of the 2012 Act, the Board directs NHS Digital to establish and operate a system for the collection of the information described in sub-paragraph (2) from Relevant Organisations, such system to be known as “Serious Mental Illness Data Collection Information System”.

(2) The information referred to in sub-paragraph (1) is set out in the Technical Output Specification.

(3) The Board directs NHS Digital to carry out the activities described in sub-paragraph (1) in accordance with the Specification and generally in such a way as to enable and facilitate the purposes that are described in the Specification at Annex A.

S254(3) - Requirement for these Directions

4. In accordance with section 254(3) of the 2012 Act, the Board confirms that it is necessary or expedient for it to have the information which will be obtained through NHS Digital complying with these Directions in relation to the Board’s functions in connection with the provision of NHS Services.

Fees and Accounts

5. Pursuant to sub-section 254(7) of the 2012 Act, NHS Digital is entitled to charge a reasonable fee in respect of the cost of NHS Digital complying with these Directions.
6. NHS Digital must keep proper accounts, and proper records in relation to the accounts, in connection with the Serious Mental Illness Data Collection Information System.

Review of these Directions

7. These Directions will be reviewed when the Specification is amended. This review will include consultation with the NHS Digital as required by section 254(5) of the 2012 Act.
