Time	Agenda Item
15:30	Welcome and Introductions
15:35	Actions Note from previous meeting <ul style="list-style-type: none">• Agreed
15:40	Reflections on previous feedback
15:45	Update on Comms & Engagement progress and next steps <ul style="list-style-type: none">• Update provided, survey responses expected soon
16:00	Update on tactical considerations to support better GP data collection <ul style="list-style-type: none">• Update provided on the work around tactical solution to consolidate existing GPES collections into a single new one, to support direct care and payments. There is support (including from NDG) that Type 1 opt-outs would not affect this flow, given that such opt-outs are not applicable to direct care, and there is support that they <i>should not</i> be applicable to support payment purposes. Work will be required to determine optimal communications approach on the clarification of the position on payments.
16:25	Update on progress around Type 1 opt-out burden reduction <ul style="list-style-type: none">• Update provided, covering the proposed approach of delivering a public-facing digital service in combination with the existing non-digital route.• Question raised as to the legal basis of the work (including integration with GP systems). Subsequently noted that a Direction would be required for NHS Digital to provide this service.• Question raised as to the expected time-scales for delivery of this service; expected to be several months, but is dependent on prioritisation of work required from GP system suppliers.
16:40	Any other business
