

Information Standards Notice – Amended

The information standard given below has been amended. You should comply with the following amendment by the implementation date specified. Further information is available on www.isb.nhs.uk or by emailing information.standards@nhs.net.

Amendment	
Date Published	11/07/2014
Implementation Completion Date	31/12/2014
Release Number	Amd 3/2014
Title	Minor Amendment: Change to Implementation Date
Description	<p>Further to the publication of the Birth Notifications release on 5 December 2013, this release amends the implementation date from 30 June 2014 to 31 December 2014. The implementation date has been adjusted to allow more time for suppliers and trusts to adopt the new message set.</p> <p>Effective from date: 1 July 2014 Implementation Date: 31 December 2014</p> <p>Note that an interim review of implementation progress is scheduled for December 2014.</p>
Standard	
Standard Number	ISB 1555
Title	NHS Number for Babies
Description	The NHS Number for Babies (NN4B) service allocates NHS Numbers to new births and informs child health departments of the birth. This standard defines the process for the notification of births, in particular the message set based on the NN4B service.
Applies to	Maternity System Providers, Child Health providers, the Office for National Statistics (ONS), the National Hearing Screening Programme (NHSP) and local registries of births and deaths.
Link to documentation	Amd 3/2014
Implementation Manager
