

Information Standards Notice – Retirement

Details are given below of the retirement of an information standard formerly approved by the Information Standards Board for Health and Social Care (ISB). In this instance the data collection component remains active but has been incorporated into another information standard

The retirement has been accepted by the Standardisation Committee for Care Information (SCCI), the successor to ISB.

Enquiries about this retirement should be directed to the contact specified below.

Standard	
Standard number	ISB 1072
Standard title	Child and Adolescent Mental Health Services (CAMHS) Data Set
Details	
Date of retirement:	31 December 2015
Description	<p>ISB 1072 is subsumed within the updated information standard, Mental Health Services Data Set (SCCI0011), which comes into force on 01 January 2016.</p> <p>A decision has been made not to introduce the central flow of CAMHS data as provided for in ISB 1072. Providers should however continue to follow local CAMHS processes in readiness for the introduction of central flow through the updated Mental Health Services Data Set.</p> <p>This retirement formally withdraws the following Information Standards Notice:</p> <p>Amd 30/2012 Amendments to CAMHS 2012.</p>
