

## Corrigendum

<b>Standard</b>	DAPB0086 Data Security and Protection Toolkit
<b>Release</b>	Amd 23/2022, Version 5.0 Release for 2022-23 (3 August 2022 to 30 June 2023)
<b>Date of ISCE publication</b>	3 August 2022
<b>Date of Corrigendum</b>	6 September 2022

### Background

The current release of DAPB0086 Data Security and Protection Toolkit (DSPT) was published on 3 August 2022.

Since then, the need for a minor correction to the standard has been identified. A summary is provided below.

**Note** that there is no impact on either the published Implementation Guidance or the core content of the Requirements Specification.

However, an updated **Requirements Specification: Appendix 1 - Assertions and Evidence Statements** has been issued and should be read in conjunction with this Corrigendum.

### Summary

A correction is required to evidence item **3.2.1** in the **Requirements Specification: Appendix 1**.

The time frame for completion of training has been changed from:

- Category 1: At least 95% of all staff, have completed their annual Data Security Awareness Training since 1st July 2022.
- Category 3 and 4: Have at least 95% of staff, directors, trustees and volunteers in your organisation completed training on data security and protection, and cyber security, since 1st July 2022?

to

- Category 1: At least 95% of all staff, have completed their annual Data Security Awareness Training in the last twelve months.
- Category 3 and 4: Have at least 95% of staff, directors, trustees and volunteers in your organisation completed training on data security and protection, and cyber security in the last twelve months?

The following cells have been amended to reflect this:

Sheet	Cell	Item
22-23 requirements	F32	2023 (new) Evidence Text - NHS Trusts, CSU, ALB and ICBs (Category 1)
22-23 requirements	H32	Evidence text - Others (Category 3)
22-23 requirements	J32	Evidence text - GP (Category 4)
Change control	C8	Description

The purpose of the change, which has been made in response to stakeholder feedback, is intended to clarify the staff training requirement to support organisations completing the DSPT.

### More information

The controlled version of this Corrigendum is published alongside the current publication documents on the NHS Digital website:
