

## Information Standards Notice – Retirement

Acting under delegated authority from the Secretary of State for Health and Social Care, the Data Alliance Partnership Board (DAPB) has approved the retirement of an existing information standard that was published under section 250 of the Health and Social Care Act 2012.

Enquiries about this retirement should be directed to the contact specified below.

Standard	
Standard number	SCCI2075
Standard title	Assessment, Discharge and Withdrawal Notices between Hospitals and Social Services
Details	
Date of retirement:	21 July 2022
Description	<p>This information standard defined a set of Assessment, Discharge and Withdrawal (ADW) Notices to support compliance with the Care Act 2014. These Notices were used to support the discharge of hospital patients considered to have social care needs, and the information standard defined the minimum set of data items to be used for these Notices.</p> <p>Following engagement with NHS England, Local Authorities, the Professional Record Standards Body (PRSB), suppliers and users, the NHS Digital developers of SCCI2075 agreed that no further development of the standard would occur, and that it would no longer be supported, as the product does not support current national government or NHS discharge policy, including <a href="#">Discharge to Assess (D2A)</a>.</p> <p>The information standard is now being formally retired, with immediate effect.</p> <p>The <a href="#">ADW specification FHIR messaging service</a> will continue to remain available to support existing providers who have</p>

	<p>implemented the messaging service, but users should note that there will be no further development of the service following retirement of the standard.</p> <p>This retirement formally withdraws the following Information Standards Notice:</p> <ul style="list-style-type: none"> <li>• SCCI2075 Amd 70/2016.</li> </ul>
