

Information Standards Notice – New

Acting under delegated authority from the Secretary of State for Health and Social Care, the Data Alliance Partnership Board (DAPB) has approved a new information standard for publication under section 250 of the Health and Social Act 2012.

You must comply with this new standard by the full conformance date specified below.

Standard details	
DAPB unique identifier	DAPB4085 Amd 59/2022
Name	Diabetes Record Information Standard
Approval date	28 February 2023
Publication date	6 April 2023
Standard definition	
Description	<p>A new standard to define the information needed to support a person's diabetes management, including self-management, across care settings.</p> <ul style="list-style-type: none"> • The Diabetes Record Information Standard defines the information needed to support a person's diabetes management. It includes information that could be recorded by health and care professionals or the person themselves that is relevant to the diabetes care of the person and should be shared between different care providers. • The Diabetes Self-Management Information Standard defines the information that could be recorded by the person themselves (or their carer) at home (either using digital apps or medical technology, e.g. continuous glucose monitors or insulin pumps) and shared with health and care professionals. (This is a subset of the Diabetes Record Information Standard for a specific use case)
Scope (Health and Social Care Act 2012)	Health Services, NHS Services, Social Care
Applies to	<p>All service providers involved in the care and support of people with diabetes including:</p> <ul style="list-style-type: none"> • Ambulance services • Care homes (nursing and residential) • Community-based services • General Practice • Hospices • Acute care services • Mental health services • Urgent and emergency care
Impacts upon	Implementation of this information standard impacts all health IT systems suppliers providing systems to health and care professionals involved in the direct care of people with diabetes

	and for the self-management of a person’s diabetes; suppliers should work with their customers to determine necessary changes.
Legal authority	This information standard is published under section 250 of the Health and Social Care Act 2012.
