DAPB approval date	6 April 2021
Certificate expiry date	30 April 2024
Issued to	NHS Digital
Guidance	https://digital.nhs.uk/services/general-practice-gp-collections/service-information/gp-workload-collection
About	
<p>This collection of General Practice (GP) workload data covers Patient Online Management Information (POMI) The data tracks the use of online appointments in General Practices and collects information on the availability to patients of electronic access to their test results, GP letters, prescriptions and online appointment booking facilities. The data enables the NHS to better understand appointment activity and utilisation and demonstrate the use of general practice across the week, including by healthcare professional and by mode of appointment.</p> <p>GP Systems Suppliers submit aggregate, GP-level data monthly to NHS Digital via a Secure Electronic File Transfer (SEFT).</p> <p>Data is published monthly on the NHS Digital website https://digital.nhs.uk/data-and-information/data-collections-and-data-sets/data-collections/pomi</p> <p>The controlled version of this Certificate can be found in the Assurance Certificate register.</p>
