Dear Paul

DCB3089 Amd 56/2019 Mental Health Staff Data Collection
DCB3095 Amd 77/2019 Community Health Staff Data Collection

I am pleased to confirm, following a recommendation for approval from the Data Alliance Partnership Sub-Board (DAPSB) at the meeting held on 8 November 2022, approval was given by the Data Alliance Partnership Board (DAPB) meeting held on the 24 November 2022 for the extension to the above collections.

The period of DAPSB approval is given until 30 November 2025. Details of your collection will remain on the [DAPB Directory of Standards and Collections](#).

In addition, if any changes are made to the content of your collection during the period of active assurance you must inform DSAS of the detail of these changes prior to them going live and with enough notice to ensure that appropriate assurance can take place.

Please note that James Cook, as Sponsor, Linda Buckley as Programme Lead and Tim Greatrex as Business Lead, will receive a copy of this letter.

Should you have any questions about the above, please do not hesitate to contact DSAS at standards.assurance@nhs.net

Yours sincerely
