Information Standards Notice – New

Acting under delegated authority from the Secretary of State for Health and Social Care, the Data Coordination Board (DCB) has approved a new information standard for publication under section 250 of the Health and Social Act 2012.

You must comply with this new standard by the full conformance date specified below.

Standard details	
DCB unique identifier	DCB2212 Amd 58/2016
Name	Drugs Patient Level Contract Monitoring
Approval date	26 March 2019
Publication date	29 April 2019
Standard definition	
Description	<p>The Drugs Patient Level Contract Monitoring information standard is one of a set of standards being introduced by NHS England, initially on a voluntary basis, to enable national consistency of the flow of cost and activity information from providers to commissioners. The others are:</p> <ul style="list-style-type: none"> • DCB2050 Aggregate Contract Monitoring • DCB3003 Patient Level Contract Monitoring • DCB3002 Devices Patient Level Contract Monitoring. <p>Having national standards to support contract monitoring will:</p> <ul style="list-style-type: none"> • reduce burden • allow simpler and more consistent reporting • allow easier reconciliation and validation of invoices • provide support for service change planning and hospital capacity analysis • improve forecasting • allow greater monitoring of equity of access to services. <p>This specific Drugs standard is a patient level data set covering all NHS-funded high cost prescribed items not reimbursed through the National Tariff Payment System, as defined by NHS Improvement.</p> <p>Data is required to be submitted to NHS Digital on a monthly basis. In the long term, the developers will work with NHS Digital to enhance the Commissioning Data Sets to hold this information, thereby removing the need for separate flows.</p>
Scope (Health and Social Care Act 2012)	NHS Services
Applies to	<ul style="list-style-type: none"> • All commissioners of NHS-funded services • All NHS and independent sector healthcare providers of acute services, operating under the full-length version of the NHS Standard Contract • All NHS and independent sector healthcare providers of community services, operating under the full-length version of the NHS Standard Contract.
