

Data Coordination Board

Information Standards Notice – Change

Acting under delegated authority from the Secretary of State for Health and Social Care, the Data Coordination Board (DCB) has approved a change to an existing information standard for publication under section 250 of the Health and Social Care Act 2012.

You must comply with the change to this standard by the full conformance date specified below.

Standard details	
DCB unique identifier	DCB3002 Amd 75/2020
Name	Devices Patient Level Contract Monitoring, Version 2.0
Approval date	25 March 2021
Publication date	8 April 2021
Standard definition	
Description	<p>The Patient Level Contract Monitoring information standard is one of a set of standards being introduced by NHS England and NHS Improvement, initially on a voluntary basis, to enable national consistency of the flow of cost and activity information from providers to commissioners.</p> <p>The others are:</p> <ul style="list-style-type: none">• DCB2050 Aggregate Contract Monitoring• DCB2212 Drugs Patient Level Contract Monitoring• DCB3003 Patient Level Contract Monitoring. <p>Having national standards to support contract monitoring will:</p> <ul style="list-style-type: none">• reduce burden• allow simpler and more consistent reporting• allow easier reconciliation and validation of invoices• provide support for service change planning and hospital capacity analysis• improve forecasting• allow greater monitoring of equity of access to services. <p>This specific Devices standard is a patient level data set covering all NHS-funded medical devices not included in the National Tariff Payment System.</p> <p>Data is required to be submitted to NHS Digital on a monthly basis. In the long term, the developers will work with NHS Digital to enhance the Commissioning Data Sets (DAPB0092) to hold this information, thereby removing the need for separate flows.</p>
About this change	<p>The changes introduced in this release are designed to:</p> <ul style="list-style-type: none">• enable the reporting of ethnic category and Treatment Function Code• remove the number of very general purpose (VGP) data elements, to improve information governance and data quality

Data Coordination Board

	<ul style="list-style-type: none"> • improve consistency across the other contract monitoring data sets • include recent changes made to the NHS Data Model and Dictionary. <p>In addition, this information standard is now made mandatory for:</p> <ul style="list-style-type: none"> • NHS or Independent Sector providers commissioned to provide acute services under the full-length version of the NHS Standard Contract <p>The standard remains voluntary for other providers; full details are in the Change Specification.</p>
Scope (Health and Social Care Act 2012)	NHS Services
Applies to	<ul style="list-style-type: none"> • all commissioners of NHS-funded services • all NHS and independent sector healthcare providers, operating under all versions of the NHS Standard Contract • all NHS providers of ambulance services, operating under the full-length version of the NHS Standard Contract.
Impacts upon	Implementation of this information standard impacts all health IT systems suppliers providing systems to the above providers; suppliers should work with their customers to determine necessary changes.
Legal authority	<p>This information standard is published under section 250 of the Health and Social Care Act 2012.</p> <p>The data collection is the subject of Directions under section 254 of the Health and Social Care Act 2012, from NHS England to NHS Digital: The Directions are published on the NHS Digital website: https://digital.nhs.uk/about-nhs-digital/corporate-information-and-documents/directions-and-data-provision-notice/nhs-england-directions/establishment-of-information-systems-for-nhs-services-data-services-for-commissioners-directions-2015</p> <p>NHS Digital has issued a section 259 notification, under the Act, to notify providers of the requirement to supply data. This is published on the NHS Digital website: https://digital.nhs.uk/about-nhs-digital/corporate-information-and-documents/directions-and-data-provision-notice/data-provision-notice-dpns/data-services-for-commissioners</p>
Link to further documentation	<p>The Change Specification, Requirements Specification and Implementation Guidance are available on the NHS Digital website: www.digital.nhs.uk/isce/publication/contract-monitoring</p> <p>Further guidance is published by NHS England and NHS Improvement: https://www.england.nhs.uk/nhs-standard-contract/dc-reporting/</p>

Data Coordination Board

	The High Cost Tariff excluded medical devices list is published as part of the National Tariff Workbooks (Annex A) on the NHS Improvement website: https://improvement.nhs.uk/resources/national-tariff/
