

Corrigendum

Standard	DCB3085 NHS Continuing Healthcare Patient-Level Data Set, Version 1.0
Release	Amd 51/2019
Date of ISCE publication	7 May 2020
Date of Corrigendum	31 August 2021

Background

Version 1.0 of the NHS Continuing Healthcare Patient-Level Data Set was published on 7 May 2020.

Since then, the need for a minor correction to the data set has been identified. A summary is provided below.

Note that an updated Data Set Specification has been published alongside this corrigendum; there is no impact on the published Requirements Specification or the Implementation Guidance.

Summary

Ten corrections are required across the Data Set Specification.

In the **CHC000 Header** (CHC000Header)

1. The format for ORGANISATION IDENTIFIER (CODE OF COMMISSIONER) has been changed from:

Changes 1-7 have been made to ensure alignment with the NHS Data Model and Dictionary.

In **CHC101 Referral, Assessment and Outcome** (CHC101RefAssessOut)

8. The data item description for SOURCE OF REFERRAL FOR NHS CONTINUING HEALTHCARE has been amended from:

‘The source of a REFERRAL REQUEST (or negative NHS Continuing Healthcare Checklist) for an NHS Continuing Healthcare assessment.’
to

‘The source of a REFERRAL REQUEST (positive or negative NHS Continuing Healthcare Checklist) for an NHS Continuing Healthcare assessment.’

This change has been made to correct a production error.

In **CHC102 Care Package** (CHC102CarePackage)

9. COST CENTRE CODE has been renamed COST CENTRE CODE (NHS CONTINUING HEALTHCARE) and the national codes and national code definitions for this data element have been removed from the data set.

These codes have been removed from the published standard as they are subject to change on a frequent basis, though note that they currently remain as published in the original standard:

xxxx82 NHS CHC Adult Fully Funded (non-PHBs)
xxxx83 NHS CHC Adult Fully Funded PHBs
xxxx91 Funded Nursing Care

The codes are published and maintained on the [FutureNHS Collaboration website](#) (login required) and the [NHS Shared Business Services website](#), and some supplementary information about the codes can be found in [the NHS Data Model and Dictionary](#). Any future changes to the code list will be published on FutureNHS platform.

10. SUBJECTIVE CODE has been renamed SUBJECTIVE CODE (NHS CONTINUING HEALTHCARE) and the national codes and national code definitions for this data element have been removed from the data set.

These codes have been removed from the published standard as they are subject to change on a frequent basis; there are plans to update these codes from 1 April 2022.

The current code list is as follows:

52161071 Funded Nursing Care Allowance

The codes are published and maintained on the [FutureNHS Collaboration website](#) (login required) and the [NHS Shared Business Services website](#), and some supplementary information about the codes can be found in [the NHS Data Model and Dictionary](#). Any future changes to the code list will be published on FutureNHS platform.

In addition to changes 1-10 above, several changes have been made to data item descriptions in the data set, to align with the NHS Data Model and Dictionary. These changes do not affect the content of the standard and are not itemised in this corrigendum, but they are listed in the 'Change Summary' tab of the Data Set Specification.
