

Statement of Administrative Sources

Annex A: Information on administrative source

Enquiries	Please contact the Health and Social Care Information Centre (HSCIC) Contact centre Telephone: 0300 3035678 and email: enquiries@hscic.gov.uk
Name of Administrative Source	Patient Reported Outcome Measures (PROMs)
Section 1: Collection	<p><i>Please give a short explanation of the processes through which the system's underlying 'raw data' are captured.</i></p> <p>Patient Reported Outcome Measures (PROMs) assess the quality of care delivered to NHS patients from the patient perspective. Currently covering four clinical procedures PROMs calculate the health gains after surgical treatment using pre- and post- operative surveys.</p> <p>The 4 procedures are; hip replacements, knee replacements, groin hernia, varicose veins.</p> <p>PROMs measure a patient's health status or health-related quality of life at a single point in time, and are collected through short, self-completed questionnaires. Information is collected before and after a procedure and provides an indication of the outcomes or quality of care delivered to NHS patients.</p>

Statement of Administrative Sources

Section 2: Quality assurance	<p><i>Please give details of any arrangements for auditing the quality of administrative data from this system which is used for statistical purposes</i></p> <p>A data quality statement is published with each data release, detailing quality assurance measures and data quality issues.</p>
Section 3: Application	<p><i>Please give a description of each of the main applications/uses to which the administrative or management data are put before they are transformed into official statistics</i></p> <p>PROMs are used to assess the performance of the NHS, to drive up quality of individual healthcare providers, to monitor the progress of clinical practice and to provide information for patients about the provider and treatment (NHS Choices).</p>

Statement of Administrative Sources
